

Rizbi Islam

Software Quality Assurance Engineer

rizbi.cse@gmail.com | (+880) 1609084529 | Dhaka, Bangladesh | [linkedin.com/in/rizbi-islam](#) | [github.com/rizbi-islam](#)

PROFESSIONAL SUMMARY

Result-oriented Software QA Engineer with hands-on experience in manual and automation testing of web applications. Builds modern, scalable test automation frameworks using Playwright, Cypress, Selenium, and Python/Pytest, following industry best practices such as Page Object Model and data-driven testing. Ensures high-quality releases through comprehensive test strategies, API validation, and CI/CD integration via GitHub Actions.

TECHNICAL SKILLS

Automation	Playwright · Cypress · Selenium WebDriver · TestNG · Pytest
Languages	Python · JavaScript · Java
API & Perf	Postman · Newman · JMeter · Locust
Tools	Git · GitHub · TestRail · Allure Reports · HTML Reports
CI/CD	GitHub Actions · Jenkins (basic)
Methodologies	Agile/Scrum · SDLC/STLC · Page Object Model · Data-Driven Testing · Cross-Browser Testing

PROFESSIONAL EXPERIENCE

IT Executive & QA Engineer

RK Software (Bangladesh) Limited · Dhaka, Bangladesh · March 2025 – Present

- Performed end-to-end testing of full-stack systems including web UIs and backend API logic
- Built Playwright and Cypress automation frameworks with CI/CD pipelines using GitHub Actions
- Contributed to two national-level government projects: DNCC Revenue Management System and CCC Revenue Management System
- Managed complete defect lifecycle — tracking, regression, and coordinated fixes for timely releases
- Executed API testing with Postman/Newman and performance testing with JMeter

Playwright · Cypress · Postman · JMeter · GitHub Actions

QA Engineer (Part-time)

IT Directorate, Bangladesh Army · Remote · Mar 2025 – Nov 2025

- Automated critical UI workflows using Selenium and Python-based frameworks
- Executed performance and load testing using JMeter and Locust for system reliability
- Collaborated with developers and stakeholders in Agile/Scrum sprints

Selenium · Python · JMeter · Locust · Agile/Scrum

KEY PROJECTS

Automation Exercise Testing — Playwright

- Built complete Playwright framework covering login, product browsing, checkout, and contact form flows
- Configured cross-browser testing (Chromium, Firefox, WebKit), parallel execution, and Allure HTML reports

[github.com/rizbiislam/AutomationExercise_testing](#) · Stack: Playwright · JavaScript · Node.js

Automation Exercise Testing — Cypress + POM

- Engineered production-ready Cypress framework with Page Object Model for maintainable test suites
- Configured data-driven testing using JSON fixtures and automated CI/CD with GitHub Actions

[github.com/rizbiislam/Automation-Exercise-testing-with-Cypress](#) · Stack: Cypress · JavaScript

OpenCart E-Commerce Automation

- Automated end-to-end e-commerce workflows including cart, checkout, and user management

[github.com/rizbiislam/OpenCart-Automation](#) · Stack: Selenium · Java · TestNG

EDUCATION

B.Sc. in Computer Science & Engineering (CSE)

Daffodil International University · Dhaka, Bangladesh · 2023

CERTIFICATIONS

- SQA: Manual & Automated Testing — [ostad.app](#) (2023)
- API Testing with Postman — [Udemy](#)
- Playwright Automation — [Test Automation University](#)
